

2023 Round Up at the Register Application

Round Up at the Register Program gives Co-op shoppers the opportunity to donate to a different local non-profit organization each month.

We are now accepting applications for 2023 . To be considered please submit a completed application to outreach@ukiahcoop.com

How it works:

At checkout, shoppers may round up their purchase to the nearest dollar (or more), the difference of which will be donated to one dedicated non-profit organization. The organization will receive 100 % of the collected donations. The cycle for each organization is one month, and a check is issued to the organization the following month.

Eligibility:

- Your organization must not have received any donations, funding, or sponsorship money from Ukiah Natural Foods Co-op during the prior 12 months.
- Include a copy of your 501 C 3 or other proof of non-profit status with the completed application.

Recipients are chosen based on several factors including:

- Priority is to local non-profit organizations whose work aligns with ours; providing access to good, healthy food; supporting local agriculture and a thriving local economy and creating a knowledgeable community informed about the choices that impact personal wellness, public health, and the environment.
- How the stated purpose for funding creates a positive impact for the community.
- Whether the proposed event, program or project will be completed effectively and efficiently.
- Whether funding will be used responsibly.

Please note:

- We do not donate to organizations that discriminate based on race, religion, physical or mental disability, sex, gender, age, or sexual orientation.
- Educational Institutions.
- Political groups or those with a strong political agenda.
- Sporting events or sports teams.
- Individuals.
