Participation Guidelines for The Co-op Gallery Project

Ukiah Natural Foods provides this opportunity free of charge to local artists. Your Commitment to the following guidelines is appreciated.

- > You may visit the café gallery wall in advance to see the display area as well as speak to a representative to familiarize yourself with the hanging system. This will assist you with determining the number and sizes of your artwork to include in your exhibit.
- > You are responsible for making your own business card size labels which include the title of the art, medium, price, your name and contact information as well as create "SOLD" labels if necessary. You may also display a framed artist bio. (Only painter's tape may be used on the wall to secure the labels.)
- > Art must have securely attached wires, no saw tooth hangers.
- > Art must be appropriate for a community cafe setting; no violence, nudity, sexually suggestive material, religious, political, weapons, substance use (smoking, alcohol, drugs), etc.
- > Those who are interested in purchasing your art will contact you directly. All artwork submitted and accepted will remain on display until the end of the exhibit (one month).
- > All art submitted will be selected via jury. Ukiah Natural Foods reserves the right to accept or deny any submission with or without cause.

Our Gallery Rail is twelve feet long and located on the east wall of our café.

To submit your art, please email photos of four to eight pieces of your artwork, a small bio and a completed *Artist's Agreement & Waiver of Liability* to outreach@ukiahcoop.com
