

September 8, 2023

Dear Local School Administrator,

We are pleased to announce that Ukiah Natural Foods Co-op will once again be donating money to local schools through our **Give Back to Schools Week** program. From Sunday, October 15 through Saturday, October 21, we will donate **3% of all sales** to local schools.

To participate, please return the attached registration form by Friday, October 6th, 2023.

A list of all registered schools will be posted at each register from October 15 - 21.

Every customer who shops during that week can choose a school to receive 3% of their purchase. If shoppers do not specify a preference, the monies will be distributed to participating schools in proportion to how much money each school raised during the week.

We will publicize the event throughout the Co-op and the community. For maximum benefit, each participating school can use the attached flyer. We suggest you encourage parents and school supporters to select your school at the register. The more they shop, the more your school receives!

Thank you and we look forward to hearing from you soon.

Sincerely,

Dane Nelson  
Marketing Manager

# Give Back to Schools Week

October 15 – October 21, 2023

## School Registration Form

Ukiah Natural Foods Co-op's **Give Back to Schools Week** is open to all *accredited* schools in the greater Ukiah area (Ukiah, Willits, Redwood Valley, Potter Valley, Anderson Valley, Laytonville and Covelo).

To qualify, a school needs to provide general education for at least 25 children in the preschool to high school range. To participate, qualifying schools need to register – simply fill out this form and return it to Ukiah Natural Foods Co-op by Friday, October 6. Return via email is preferred. Return to [outreach@ukiahcoop.com](mailto:outreach@ukiahcoop.com).

For maximum benefit, schools can use the attached flyer to distribute to their school communities. Remember to encourage parents and school supporters to select your school at the register! Thank you.
